

45 C.F.R. § 1326.30

State plan requirements.

- (a) In order to receive Federal funding under this subpart, each State Developmental Disabilities Council must prepare and submit a State plan which meets the requirements of sections 124 and 125 of the Act (42 U.S.C. 15024 and 15025), and the applicable regulation. Development of the State plan and its periodic updating are the responsibility of the State Council on Developmental Disabilities. As provided in section 124(d) of the Act, the Council shall provide opportunities for public input and review (in accessible formats and plain language requirements), and will consult with the Designated State Agency to determine that the plan is consistent with applicable State laws, and obtain appropriate State plan assurances.
- (b) Failure to comply with the State plan requirements may result in the loss of Federal funds as described in section 127 of the Act (42 U.S.C. 15027). The Secretary, or his or her designee, must provide reasonable notice and an opportunity for a hearing to the Council and the Designated State Agency before withholding any payments for planning, administration, and services.
