

45 C.F.R. § 1351.15

What costs are supportable under a Runaway and Homeless Youth Program grant?

- (a) For all grant programs, costs that can be supported include, but are not limited to, staff training and core services such as outreach, intake, case management, data collection, temporary shelter, transitional living arrangements, referral services, counseling services, and aftercare services. Costs for acquisition and renovation of existing structures may not normally exceed 15 percent of the grant award. HHS may waive this limitation upon written request under special circumstances based on demonstrated need.
