

## 45 C.F.R. § 1351.26

---

### What are the additional requirements that both the Basic Center and Transitional Living Program grantees must meet?

---

- (a) Basic Center and Transitional Living grantees shall develop and implement an aftercare plan, covering at least 3 months, to stay in contact with youth who leave the program in order to ensure their ongoing safety and access to services. A youth's individual aftercare plan shall outline what services were and will be provided as well as the youth's housing status during and after the program. The plan shall be provided to the youth in exit counseling or before. Follow-up efforts shall be made for all youth. For those contacted after 3 months, the plan shall be updated to record the rate of participation and completion of the services in the plan at 3 months after exiting the program. In accordance with section 312(b)(5) of the Act, as possible, Basic Center grantees shall also provide a plan for providing counseling and aftercare services to youth who are returned beyond the state in which the runaway and homeless youth service is located.
