

45 C.F.R. § 1355.42

Reporting populations.

(a) *Out-of-home care reporting population.* (1) A title IV-E agency must report a child of any age who is in out-of-home care for more than 24 hours. The out-of-home care reporting population includes a child in the following situations:

(i) A child in foster care as defined in § 1355.20.

(ii) A child on whose behalf title IV-E foster care maintenance payments are made and who is under the placement and care responsibility of another public agency or an Indian tribe, tribal organization or consortium with which the title IV-E agency has an agreement pursuant to section 472(a)(2)(B)(ii) of the Act.
