

45 C.F.R. § 1356.84

Sampling.

- (a) The State agency may collect and report the information required in section 1356.83(e) of this part on a sample of the baseline population consistent with the sampling requirements described in paragraphs (b) and (c) of this section.
- (b) The State agency must select the follow-up sample using simple random sampling procedures based on random numbers generated by a computer program, unless ACF approves another sampling procedure. The sampling universe consists of youth in the baseline population consistent with 45 CFR 1356.81(b) who participated in the State agency's data collection at age 17.
