
45 C.F.R. § 1602.9

Timing and responses to requests for records.

(a)

(1) Upon receiving a request for LSC or Inspector General records under § 1602.8, the Chief FOIA Officer, Office of Inspector General Legal Counsel or their designees shall make an initial determination of whether to comply with or deny such request. The Chief FOIA Officer, Office of Inspector General Legal Counsel or their designees will send the determination to the requester within 20 business days after receipt of the request and will notify the requester of their right to seek assistance from an LSC FOIA Public Liaison.

(2) The 20-day period under paragraph (a)(1) of this section shall commence on the date on which the request is first received by the appropriate Office, but in no event later than 10 working days after the request has been received by either the Office of Legal Affairs or the Office of Inspector General. The 20-day period shall not be tolled by the Office processing the request except that the processing Office may make one request to the requester for information pursuant to paragraph (b) of this section and toll the 20-day period while

- (i) It is awaiting such information that it has reasonably requested from the requester under this section; or
- (ii) It communicates with the requester to clarify issues regarding fee assessment.

In either case, the processing Office's receipt of the requester's response to such a request for information or clarification ends the tolling period.

(b) *Consultation.* When records originated with the Office processing the request, but contain within them information of interest to another Office or Federal agency, the Office processing the request should typically consult with that other entity prior to making a release determination.
