

45 C.F.R. § 1606.6

Preliminary determination and final decision.

- (a) When the Corporation has made a preliminary determination of one or more of the following, the Corporation shall issue a written notice to the recipient and the Chair of the recipient's governing body: that a recipient's grant or contract should be terminated, that a limited reduction of funding shall be imposed, or that a recipient should be debarred. The notice shall:
