

45 C.F.R. § 1610.5

Grants, subgrants, donations, and gifts made by recipients.

- (a) Subgrants in which a recipient provides LSC funds or LSC-funded resources as some or all of a subgrant to a subrecipient are governed by 45 CFR part 1627. That rule states how the restrictions apply to the subgrant and to the non-LSC funds of the subrecipient, which can vary with different types of subgrants.
