

45 C.F.R. § 1624.5

Accessibility of legal services.

- (a) No qualified person with a disability shall, because a legal services program's facilities are inaccessible to or unusable by persons with disabilities, be denied the benefits of, be excluded from participation in, or otherwise be subjected to discrimination by any legal services program.
- (b) A legal services program shall conduct its programs and activities so that, when viewed in their entirety, they are readily accessible to and usable by persons with disabilities. This paragraph does not necessarily require a legal services program to make each of its existing facilities or every part of an existing facility accessible to and usable by persons with disabilities, or require a legal services program to make structural changes in existing facilities when other methods are effective in achieving compliance. In choosing among available methods for meeting the requirements of this paragraph, a legal services program shall give priority to those methods that offer legal services to persons with disabilities in the most integrated setting appropriate.
