

45 C.F.R. § 1626.8

Emergencies.

In an emergency, legal services may be provided prior to compliance with §§ 1626.4, 1626.6, and 1626.7 if:

- (a) An applicant cannot feasibly come to the recipient's office or otherwise transmit written documentation to the recipient before commencement of the representation required by the emergency, and the applicant provides oral information to establish eligibility which the recipient records, and the applicant submits the necessary documentation as soon as possible; or
