45 C.F.R. § 1630.3

Time.

(a) *Computation.* In computing any period of time under this part, the time period begins the day following the event and includes the last day of the period, unless the last day is a Saturday, Sunday, or legal holiday observed by the Federal government. In those cases, the time period includes the next business day. When the prescribed time period is seven days or less, intermediate Saturdays, Sundays, and legal holidays shall be excluded from the computation.
