

45 C.F.R. § 1630.6

Prior approval.

(a) *Advance understandings.* Under any given grant award, the reasonableness and allocability of certain cost items may be difficult to determine. To avoid subsequent disallowance or dispute based on unreasonableness or nonallocability, a recipient may seek a written understanding from LSC in advance of incurring special or unusual costs. If a recipient elects not to seek an advance understanding from LSC, the absence of an advance understanding on any element of a cost will not affect the reasonableness or allocability of the cost.
