

45 C.F.R. § 1641.10

Additional proceedings as to disputed material facts.

- (a) In actions not based upon a conviction or civil judgment under § 1641.7 (d) or (e), if the debarring official finds that the IPA's submission raises a genuine dispute of material fact, the IPA shall be afforded an opportunity to appear (with counsel, if desired), submit documentary evidence, present witnesses, and confront any witnesses the OIG presents. If the debarring official finds that the IPA's submission does not raise a genuine issue of material fact, additional proceedings will not be provided. In such case, the hearing shall be held entirely by written submissions, except that a meeting may be held under § 1641.9(c).
