

45 C.F.R. § 1641.3

Scope of debarment, suspension and removal.

An IPA may be debarred, suspended or removed under this part only if the IPA is specifically named and given notice of the proposed action and an opportunity to respond in accordance with this part.

- (a) *Actions against individual IPAs.* Debarment, suspension or removal of an individual IPA, debars, suspends or removes that individual from performing audit services as an individual or as an employee, independent contractor, agent or other representative of an IPA firm.
