

## 45 C.F.R. § 1801.54

---

### Annual report.

---

- (a) Scholars with remaining eligibility for scholarship stipends must submit no later than July 15 an annual report to the Foundation.
- (b) The annual report should be in narrative form and cover: courses taken and grades earned; courses planned for the coming year if Foundation support will be requested; public service and school activities; part-time or full-time employment and summer employment or internships; and achievements, awards and recognition, publications or significant developments.
