## 45 C.F.R. § 2102.10

---

### Timing, scope and content of submissions for proposed projects involving land, buildings, or other structures.

---

(a) A party proposing a project which is within the purview of the Commission's functions under § 2101.1 (a), (b), or (c) should make a submission when concept plans for the project are ready but before detailed plans and specifications or working drawings are prepared. In order to assure that a submission will be considered at the next scheduled meeting of the Commission, it should be delivered to the Commissions offices not later than ten (10) working days before the meeting; if it is a project subject to review first by the Georgetown Board, not later than ten (10) working days before the Georgetown Board meeting. The Commission will attempt to consider a submission which is not made in conformity with this schedule, but it reserves the right to postpone consideration until its next subsequent meeting.

(b)

(1) Each submission should state or disclose:
