

## 45 C.F.R. § 2105.12

---

### How do consultations and referrals work?

---

(a) Consultations and referrals generally occur outside the Agency.

(1) Paragraphs (b) through (f) of this section address consultations and referrals that occur outside the Agency when the Agency has responsive records.

(2) Paragraph (g) of this section addresses what happens when the Agency has no responsive records but believes responsive records may be in the possession of a Federal agency outside the Agency.

(b) If, while responding to a request, the Agency locates records that originated with another Federal agency, it usually will refer the request and any responsive records to that other agency for a release determination and direct response.

(c) If the Agency refers records to another agency, it will document the referral and maintain a copy of the records that it refers and notify you of the referral in writing. When the Agency notifies you of the referral, it will tell you whether the referral was for part or all of your request and provide the name and contact information for the other agency. You may treat such a response as a denial of records and file an appeal, in accordance with the procedures in § 2105.56.
