45 C.F.R. § 2105.14

What is multitrack processing and how does it affect your request?

(a) Processing tracks are used to distinguish simple requests from more complex ones on the basis of the estimated number of workdays needed to process the request.

(b) In determining the number of workdays needed to process the request, the Agency considers factors such as the number of pages involved in processing the request or the need for consultations.

(c) The basic processing tracks are designated as follows:
