

45 C.F.R. § 2105.66

How will an Agency handle a request for federally-funded research data?

(a) If you request research data that were used by the Federal Government in developing certain kinds of agency actions, and the research data relate to published research findings produced under an award, in accordance with OMB Circular A-110:

(1) If the Agency was the awarding agency, it will request the research data from the recipient;
