

45 C.F.R. § 2400.1

Purposes.

(a) The purposes of the James Madison Memorial Fellowship Program are to:

(1) Provide incentives for master's degree level graduate study of the history, principles, and development of the United States Constitution by outstanding in-service teachers of American history, American government, social studies, and political science in grades 7-12 and by outstanding college graduates who plan to become teachers of the same subjects; and
