

45 C.F.R. § 2506.32

What are the Corporation's procedures for salary offset?

- (a) The Corporation will coordinate salary deductions under this subpart as appropriate.
- (b) If you are a Corporation employee who owes a debt to the Corporation, the Corporation's payroll office in Human Resources will determine the amount of your disposable pay and will implement the salary offset.
- (c) Deductions will begin within three official pay periods following receipt by the Corporation's payroll office of certification of debt from the creditor agency.
