
45 C.F.R. § 2522.475

To what extent must I use the Corporation's selection criteria and priorities when selecting formula programs or operating sites?

You must ensure that the selection criteria you use include the following criteria:

- (a) The quality of the national service program proposed to be carried out directly by the applicant or supported by a grant from the applicant.
- (b) The innovative aspects of the national service program, and the feasibility of replicating the program.
