

45 C.F.R. § 2531.10

What are the purposes of the Investment for Quality and Innovation activities?

Investment for Quality and Innovation activities are designed to develop service infrastructure and improve the overall quality of national and community service efforts. Specifically, the Corporation will support innovative and model programs that otherwise may not be eligible for funding; and support other activities, such as training and technical assistance, summer programs, leadership training, research, promotion and recruitment, and special fellowships and awards. The Corporation may conduct these activities either directly or through grants to or contracts with qualified organizations.
