### What is suspension and when may AmeriCorps suspend a VISTA project?

---

- (a) Suspension is any action by AmeriCorps that temporarily suspends or curtails assistance, in whole or in part, to all or any part of a VISTA project, prior to the time that the project term is concluded. Suspension does not include the denial or reduction of new or additional VISTA assistance.
- (b) In an emergency situation for up to 30 consecutive days, AmeriCorps may suspend assistance to a sponsor, in whole or in part, for the sponsor's material failure or threatened material failure to comply with an applicable term(s) or condition(s) of the DVSA, the regulations in this part, VISTA program policy, or an applicable Memorandum of Agreement. Such suspension in an emergency situation will be pursuant to notice and opportunity to show cause why assistance should not be suspended.
