## 45 C.F.R. § 307.10

---

### Functional requirements for computerized support enforcement systems in operation by October 1, 1997.

---

At a minimum, each State's computerized support enforcement system established under the title IV-D State plan at § 302.85(a)(1) of this chapter must:

(a) Be planned, designed, developed, installed or enhanced in accordance with an initial and annually updated APD approved under § 307.15; and

(b) Control, account for, and monitor all the factors in the support collection and paternity determination processes under the State plan. At a minimum this must include:

(1) Maintaining identifying information such as social security numbers, names, dates of birth, home addresses and mailing addresses (including postal zip codes) on individuals against whom support obligations are sought to be established or enforced and on individuals to whom support obligations are owed, and other data as required by the Office;

(2) Periodically verifying the information on individuals referred to in paragraph (b)(1) of this section with Federal, State and local agencies, both intrastate and interstate;
