

45 C.F.R. § 308.1

Self-assessment implementation methodology.

- (a) The IV-D agency must ensure the review meets Federal requirements and must maintain responsibility for and control of the results produced and contents of the annual report.
- (b) *Sampling.* A State must either review all of its cases or conduct sampling which meets the following conditions:
 - (1) The sampling methodology maintains a minimum confidence level of 90 percent for each criterion;
