

45 C.F.R. § 309.45

When and how may a Tribe or Tribal organization request reconsideration of a disapproval action?

(a) Except as specified under paragraphs (g) and (h) of this section, a Tribe or Tribal organization may request reconsideration of the disapproval of a Tribal IV-D application, plan or plan amendment by filing a written Request for Reconsideration to the Secretary within 60 days of the date of the Notice of Disapproval.

(b) The Request for Reconsideration must include:

(1) All documentation that the Tribe or Tribal organization believes is relevant and supportive of its application, plan or plan amendment; and

(2) A written response to each ground for disapproval identified in the Notice of Disapproval, indicating why the Tribe or Tribal organization believes its application, plan or plan amendment conforms to the requirements for approval specified in applicable Federal statutes, regulations and office issuances; and
