

## 45 C.F.R. § 309.80

---

### What safeguarding procedures must a Tribe or Tribal organization include in a Tribal IV-D plan?

---

A Tribe or Tribal organization must include in its Tribal IV-D plan safeguarding provisions in accordance with this section:

- (a) Procedures under which the use or disclosure of personal information received by or maintained by the Tribal IV-D agency is limited to purposes directly connected with the administration of the Tribal IV-D program, or titles IV-A and XIX with the administration of other programs or purposes prescribed by the Secretary in regulations.
