

## 45 C.F.R. § 310.30

---

### Under what circumstances would FFP be suspended or disallowed in the costs of Computerized Tribal IV-D Systems?

---

(a) *Suspension of APD approval.* OCSE will suspend approval of the APD for a Computerized Tribal IV-D System approved under this part as of the date that the system ceases to comply substantially with the criteria, requirements, and other provisions of the APD. OCSE will notify a Tribal IV-D agency in writing in a notice of suspension, with such suspension effective as of the date on which there is no longer substantial compliance.
