

## 45 C.F.R. § 400.102

---

### Consideration of income and resources.

---

(a) Except as specified in paragraphs (b), (c), and (d) of this section, in considering financial eligibility of applicants for refugee medical assistance, the State agency must—

(1) In States with medically needy programs, use the standards governing determination of income eligibility in 42 CFR 435.831, and as reflected in the State's approved title XIX State Medicaid plan.
