

45 C.F.R. § 400.146

Use of funds.

The State must use its social service grants primarily for employability services designed to enable refugees to obtain jobs within one year of becoming enrolled in services in order to achieve economic self-sufficiency as soon as possible. Social services may continue to be provided after a refugee has entered a job to help the refugee retain employment or move to a better job. Social service funds may not be used for long-term training programs such as vocational training that last for more than a year or educational programs that are not intended to lead to employment within a year.
