

45 C.F.R. § 400.156

Service requirements.

- (a) In order to avoid interference with refugee employment, English language instruction and vocational training funded under this part must be provided to the fullest extent feasible outside normal working hours.
- (b) In planning and providing services under §§ 400.154 and 400.155, a State must take into account those services which a resettlement agency is required to provide for a refugee whom it sponsors in order to ensure the provision of seamless, coordinated services to refugees that are not duplicative.
