Methodology to be used to determine time-eligibility of refugees.

- (a) The time-eligibility period for refugee cash assistance and refugee medical assistance will be determined by the Director each year, based on appropriated funds available for the fiscal year. The Director will make a determination of the eligibility period each year as soon as possible after funds are appropriated for the refugee program, and also at subsequent points during the fiscal year, only if a reduction in the eligibility period is indicated, based on updated information on refugee flows and State reports on receipt of assistance and expenditures. The method to be used to determine the RCA/RMA eligibility period will include the following steps and will be applied to various RCA/RMA time-eligibility periods in order to determine the time-eligibility period which will provide the most number of months without incurring a shortfall in funds for the fiscal year.
