

45 C.F.R. § 400.319

Allocation of funds.

- (a) A State with more than one qualifying targeted assistance county may allocate its targeted assistance funds differently from the formula allocations for counties presented in the ORR targeted assistance notice in a fiscal year only on the basis of its population of refugees who arrived in the U.S. during the most recent 5-year period. A State may use welfare data as an additional factor in the allocation of targeted assistance funds if it so chooses; however, a State may not assign a greater weight to welfare data than it has assigned to population data in its allocation formula.
