

45 C.F.R. § 402.45

Amendments to applications.

(a)

(1) If, during the course of a fiscal year, a State adds a program or activity for which it intends to claim reimbursement or make payment in that fiscal year, it must submit an amendment (containing appropriate information pursuant to § 402.41(c)) to its approved application for that fiscal year prior to the due date for reports required by § 402.51 of this part.
