

45 C.F.R. § 411.21

Victim advocacy, access to counselors, and forensic medical examinations.

(a) Care provider facilities must develop procedures to best utilize available community resources and services to provide valuable expertise and support in the areas of crisis intervention and counseling to most appropriately address victims' needs. Each care provider facility must establish procedures to make available outside victim services following incidents of sexual abuse and sexual harassment; the care provider facility must attempt to make available to the victim a victim advocate from a rape crisis center. If a rape crisis center is not available or if the UC prefers, the care provider facility may provide a licensed clinician on staff to provide crisis intervention and trauma services for the UC. The outside or internal victim advocate must provide emotional support, crisis intervention, information, and referrals.
