

45 C.F.R. § 411.63

Reporting to other care provider facilities and DHS.

- (a) Upon receiving an allegation that a UC was sexually abused or sexually harassed while at another care provider facility, the care provider facility whose staff received the allegation must immediately notify ORR, but no later than 24 hours after receiving the allegation. ORR will then notify the care provider facility where the alleged abuse or harassment occurred.
