
45 C.F.R. § 614.3

Materials relating to closed portions of meetings.

If a portion or portions of any meeting of the National Science Board are closed to the public under § 614.2:

- (a) The General Counsel of the National Science Foundation shall publicly certify that, in his opinion, that portion or portions may properly be closed to the public. The certificate shall state the exemptions under 5 U.S.C. 552b(c) that make the closings proper.
