

## 45 C.F.R. § 617.12

---

### Compliance procedure.

---

- (a) NSF may enforce this part by either termination of a recipient's financial assistance from NSF for the program or activity involved where the recipient has violated the Act or this part or refusal to grant further financial assistance under the program or activity involved where the recipient has violated the Act or this part. The determination of the recipient's violation may be made only after a recipient has had an opportunity for a hearing on the record before an administrative law judge. Therefore, cases settled in the mediation process or before a hearing will not involve termination of a recipient's Federal financial assistance from NSF.
