

45 C.F.R. § 641.18

Comprehensive environmental evaluation.

- (a) *Scoping*. If it is determined that a CEE will be prepared, the responsible official shall publish a notice of intent to prepare a CEE in the Federal Register, inviting interested persons and government agencies to participate in the process of identifying significant issues relating to the proposed action and determining the scope of the issues to be addressed in the CEE.
- (b) *Contents of CEE*. A CEE shall be a concise and analytical document, prepared in accordance with the range of relevant issues identified in the scoping process. It shall contain sufficient information to permit informed consideration of the reasonably foreseeable potential environmental effects of a proposed action and possible alternatives to that proposed action. Such information shall include the following:
- (1) A description of the proposed action including its purpose, location, duration and intensity;
