Waivers and approvals.

- (a) Requests for extension of time to disclose to the NSF Patent Assistant, make an election to retain title to, or file a patent on a subject invention will be granted by the NSF Patent Assistant unless he or she determines that such an extension would either imperil the securing of valid patent protection or unacceptably restrict the publication of the results of the NSF-supported research.
- (b) Approval of assignments by nonprofit organizations (required by subparagraph (k)(1) of the Patent Rights clause in § 650.4(a)) will be given by the Patent Assistant unless he or she determines that the interests of the United States Government will be adversely affected by such assignment.
