Request for conveyance of title to NSF.

- (a) The procedures established by this section apply to the exercise of the Foundation's right under paragraph (d) of the Patent Rights clause in § 650.4(a) to request conveyance of title to a subject invention if certain conditions exist.
- (b) The NSF Patent Assistant may request the recipient of an NSF award to convey to the Foundation or a designee title in one or more countries to any invention to which the awardee has elected not to retain title. The NSF Patent Assistant may request immediate conveyance of title to a subject invention if the awardee fails (1) to submit a timely invention disclosure, (2) to make a timely election to retain patent rights, or (3) to file a timely patent application; but only if he or she determines that such action is required to preserve patent rights.
