

45 C.F.R. § 650.15

Appeals.

- (a) All actions by the NSF Patent Assistant under § 650.8 denying an inventor's request to retain rights to a subject invention, under § 650.12 denying a request for waiver, or under § 650.14(d) denying the existence of a material dispute may be appealed to the Director of the NSF Division of Grants and Contracts by an affected party within thirty days. A request under § 650.14(b) to immediately convey title to the Foundation may be appealed to the DGC Director by the title holder within five days.
