

45 C.F.R. § 702.18

Commission reports.

- (a) If a Commission report tends to defame, degrade, or incriminate any person, the report or relevant portions thereof shall be delivered to such person at least 30 days before the report is made public to allow such person to make a timely verified answer to the report. The Commission shall afford such person an opportunity to file with the Commission a verified answer to the report or relevant portions thereof not later than 20 days after service as provided by the regulations in this part.
