

## 45 C.F.R. § 800.204

---

### Reinsurance, risk corridors, and risk adjustment.

---

(a) *Transitional reinsurance program.* An MSP issuer must comply with section 1341 of the Affordable Care Act, 45 CFR part 153, and any applicable Federal or State regulations under section 1341 that set forth requirements to implement the transitional reinsurance program for the individual market.
