

45 C.F.R. § 900.102

Environmental policy.

It is the policy of the Commission to:

- (a) Comply with the procedures and policies of NEPA and other related environmental laws, regulations, and orders applicable to Commission actions;
- (b) Provide guidance to applicants responsible for ensuring that proposals comply with all appropriate Commission requirements;
- (c) Integrate NEPA requirements and other planning and environmental review procedures required by law or Commission practice so that all such procedures run concurrently rather than consecutively;
