

## 42 C.F.R. § 121.2

---

### Definitions.

---

As used in this part—

*Act* means the Public Health Service Act, as amended.

*Designated transplant program* means a transplant program that has been found to meet the requirements of § 121.9.

*Family member* means a family member of a transplant candidate, transplant recipient, or organ donor.

*OPTN computer match program* means a set of computer-based instructions which compares data on a cadaveric organ donor with data on transplant candidates on the waiting list and ranks the candidates according to OPTN policies to determine the priority for allocating the donor organ(s).

*Organ* means a human kidney, liver, heart, lung, pancreas, intestine (including the esophagus, stomach, small and/or large intestine, or any portion of the gastrointestinal tract) or vascularized composite allograft (defined in this section). Blood vessels recovered from an organ donor during the recovery of such organ(s) are considered part of an organ with which they are procured for purposes of this part if the vessels are intended for use in organ transplantation and labeled “For use in organ transplantation only.”
