## 42 C.F.R. § 124.2

---

### Definitions.

---

As used in this subpart:

- (a) *Act* means the Public Health Service Act, as amended.
- (b) *Construction* means construction of new buildings and initial equipment of such buildings and, in any case in which it will help to provide a service not previously provided in the community, equipment of any buildings. It includes architect's fees, but excludes the cost of off-site improvements and, except with respect to public health centers, the cost of the acquisition of land.
- (c) *Cost* means the amount found by the Secretary to be necessary for construction or modernization under a project, except that such term does not include any amount found by the Secretary to be attributable to expansion of the bed capacity of any facility.
- (d) *Equipment* means those items which are necessary for the functioning of the facility but does not include items of current operating expense such as food, fuel, pharmaceuticals, dressings, paper, printed forms, and housekeeping supplies.
- (e) *Facility for long-term care* means a facility (including a skilled nursing care or intermediate care facility), providing inpatient care for convalescent or chronic disease patients who require skilled nursing or intermediate care and related medical services:
  - (1) Which is a hospital (other than a hospital primarily for the care and treatment of mentally ill or tuberculosis patients) or is operated in connection with a hospital, or
