

42 C.F.R. § 136.105

Project elements.

A project supported under this subpart must:

- (a) Have sufficient, adequately trained staff in relation to the scope of the project.
- (b) Maintain a mechanism for dealing with complaints regarding the delivery of health services or performance of project activities.
- (c) Hold confidential all information obtained by the personnel of the project from participants in the project related to their examination, care, and treatment, and shall not release such information without the individuals' consent except as may be required by law, as may be necessary to provide service to the individual, or as may be necessary to monitor the operations of this program or otherwise protect the public health. Information may be disclosed in a form which does not identify particular individuals.
