

## 42 C.F.R. § 136.320

---

### Preparatory scholarship grants.

---

Scholarship grants may be awarded under this subdivision and section 103 of the act for the period (not to exceed two academic years) necessary to complete a recipient's compensatory preprofessional education to enable the recipient to qualify for enrollment or re-enrollment in a health professions school. Examples of individuals eligible for such grants are the individual who:
